The STORY Behind Us

The strength and success of Sperita Granito lie in its sound infrastructure which has advanced manufacturing facilities that comprise the latest machinery and advent-grade technologies.
The ultra-modern plant supported and run by technically sound staff ensures that Sperita Granito is indeed matchless when it comes to ceramic tilling solutions.

Sperita Granito has developed in leaps and bounds by getting into the greater pool of technology, by adopting italian technology which has benefitted customers in all arenas since factors like optimization, calibrations, sizing, and designing is taken great care off.

Technology providers in the ceramics field who recognized the potential and sincerity of the company have extended their best support to us and our distributors, helping us strengthen our respective positions in the market.

कलात्मक सिर्फ एक डिज़ाइन नहीं, बल्कि सदियों पुरानी विरासत और आधुनिक सोच का एक सुंदर संगम है। भारतीय और मोरक्कन कला की बारीकियों से प्रेरित, यह कलेक्शन हर सतह पर शिल्प, सौंदर्य और कहानी को जीवंत करता है।

हर पैटर्न में छुपी है कारीगरी की गहराई, हर टेक्सचर में महसूस होती है रचनात्मकता की पहचान। कलात्मक उन स्थानों के लिए बनाया गया है जहाँ डिज़ाइन केवल सजावट नहीं, बल्कि एक अनुभव बन जाता है।

कलात्मक

Kalātmaka sirf patterns ka collection nahi, balki craft aur creativity ka ek visual expression hai. Traditional detailing ko contemporary surface language ke saath reinterpret karte hue, collection har space mein texture, rhythm aur character ka ek refined balance create karti hai. Har design apni ek alag kahaani kehta hai, jo surface ko simply functional nahi, expressive banata hai.

Basalt Oak

A considered interplay of natural mineral character and warm oak tones, composed to bring depth and structure to contemporary spaces.

600x 1200mm / **Rigid Matt** Surface

कलात्मक

Basalt Oak brings together the raw character of mineral textures with the warmth of oak, creating a balanced surface language of contrast and continuity. Its structured composition adds depth, visual rhythm, and a refined material presence, making it equally suited to contemporary interiors and expressive architectural spaces.
